“ *My thoughts and prayers are with Amanda's family & friends. We attended school together & years later I was able to have the opportunity to get to know her a little better. She had a beautiful smile that would light up a room! She was so friendly & sweet. She was truly a beautiful woman inside & out! Amanda set an example for all of us to be a light in this dark world! She showed us how to be a kind-hearted genuine individual. I am grateful for the brief conversations we had @ Woody's over the years. She will be dearly missed by so many.*
