Hello Mike,

My name is John Havok. I recently came across Catherine Basey's obituary while researching my family history. I believe Catherine was the sister of my grandfather, Donald Blaine Millikan.

My mother is Sandra Jean Millikan, daughter of Donald Blaine Millikan, and I am trying to reconnect with and learn more about my mother's side of the family.

If I have the correct connection, I believe that would make us cousins. I realize this message comes out of the blue, but I wanted to reach out and say hello. I would love to learn more about the Millikan family and share information from my branch of the family as well.

No pressure at all, and if I've made a mistake, please accept my apologies.

Wishing you and your family all the best,

John Havok
