“ Dear Dorothy and family, I called my brother, Bob, and gave him information about Darrell's death. In a recent visit to Arizona where he lives we talked about Darrell and exchanged fond memories of when he was such a big part of our lives. I know you will miss him. I remember his gentleness and his love of his family and how he talked of them especially Barbara when she was small. I also remember how gracious you all were to me way back then hard to believe it has been almost 50 years ago!!! and how I enjoyed the wonderful meal you served when we came to dinner at your home. I send my love and blessings to you all. Shirli
