“ Dave was playful. It was fun working with him. I won't forget his thoughtful pauses before responses. Some people just stamp your brain and stay with you.

“ Sharon, We were saddened to learn of David's passing, and thought we would be able to give our condolences in person, but our schedule did not allow that. We did not know if his death were sudden or not, but no matter the circumstances, it is hard to adjust to a spouse's death. Please know you are in our thoughts and prayers. Healing does come. Kurt and I can attest to that.
