“ I had the honor of taking care of Deb in her last few weeks of life , she was such a bright soul and made my day walking into work everyday , seeing her nibble on snacks to wanting to play with my hair .. I'll never get over growing close with her and losing her in such a short time, she was the best person to sit and talk with! She had a smile that could wipe a bad day away , I'll sure miss seeing you everyday granny❤️
