“ What a wonderful woman of god, that always had a smile and something of encouragement to say. I always looked forward to going to church on sundays so that I could get my hug from Doris. Will surely be missed but will surely be greeted into heaven. What a greeter we will be getting.

“ Aunt Doris, you were my 'mother' for 3 yrs of my life. For that I will be forever grateful. I can not imagine not hearing your voice, telling me about our family. Many of my memories were of wonderful dinners, the smell of baking throughout the house, seeing you with an apron always on. I know you're with your beloved Bill, also with all my aunts & uncles & most of all, with my Dad, Tommy. You will be forever in my heart. I miss you!!!

“ *Doris is now the door greeter in heaven. Her and Bill standing faithfully at their post greeting and smiling at all the arrivals. You will get a firm handshake from Bill and red lipstick kiss from Doris. I will miss her dearly, but Jesus has received a great treasure! I love you Doris!*
