“ *Drew was a really good guy. He loved animals so much, I always remember him in our grandma's backyard playing with his beagle puppy with Ashley, Trey, my brother and I. Denny was always in the Den and Timmy was in his room or in the kitchen watching all of us. Drew showed me my first scary movie, Jaws and given my young age, it scared me pretty bad. But I remember my childhood at grandma's house well with him. May he be at rest now and be with Timmy and Denny and grandma and grandpa.*
