“ Dear Bob and Nancy, So sorry to hear of your loss. My Mom's funeral was Saturday there in Anderson and I happened to see the notice about your Dad. We were going to stop by for visitation Sunday, but ended up leaving town at noon. Your Dad sounds like a person who knew his final destination, as did my Mom, and they're most likely sharing stories right now. Blessings, Jeff Brock

“ Dear Orebaugh Family~ I loved your precious Dad a lot. We had such fun conversations on the phone where he would make me laugh. He was a good man and now he is heaven with the Lord Jesus no longer in pain. May the Lord heal your hearts and give you His peace that passes all human understanding. Thank you for sharing your Dad with me. Love from Colorado Springs, Linda

“ *Becky and Bobby, I was so sad to hear of your Dad's recent decline and passing. He was such a wonderful man. He really brightened up our therapy department at Rawlins House and always had something funny to say to make people smile and laugh. Even amidst his challenges after the stroke he didn't let it break his spirit. Thanks for sharing him with us. My prayers are with your family.*

“ *Mr. Orebaugh was the welcoming greeter of Whetstone Church in my childhood. I can picture him smiling, ringing the bell, calling us to Sunday School. Blessings to all his family...*

“ *I would like to tell the family that I am sorry to hear about Evert like this. I have many memories of him from church functions and events. My father, Ed Rodecap, always spoke very highly of him as a fellow farmer. I was involved with fixing the grain truck and found it to be a challenge. but because I knew Evert and Bobby, I did my best to do my best. Best wishes.*
