“ I will always remember spending some of my summer vacations with Aunt Faye and Uncle J.M. in Anderson. Mom and Dad Carol and Jon Massey would always manage to stop in and see you guys for a few days. I will never forget how happy I was to see Aunt Faye each time we came. She would always make me feel so special. I remember an old record player you guys had in your house in Anderson and how I begged her to play one song over and over on one of our visits. The song was "Elvira" and she was more than happy to give into my requests to hear it just one more time. Years later when you visited our family she told me I had caused her to sing that song over and over again all summer long. I can still see her sweet face saying I hated that "Giddy up...um papa, um papa, um papa, maw maw". It brings a smile to my face now just remembering it. I thank God that I will get to see her again one day in heaven. Please know I am in prayer for you guys, her loving devoted family. I pray that God will grant you peace of heart and mind at this difficult time. With all my love and condolences, Teresa "Massey" Harlow
