“ I will miss you very much, my G'ma Puddin. As Kelly said before. Your memory was taken away but now you have it back. I know that you had many loved ones waiting for you with open arms. Say hello to Dad and that I miss him very much. Now we all have another guardian angel watching out for us. Love and miss you, your granddaughter.

“ Not only were you my grandmother; but you were like a second mother to me. I am so blessed to have had you for 41 years. Everyone in heaven has been waiting for you and now its time they get to enjoy your smile, laughter, and hugs. I love you grandma and it feels good to know that you are looking down on me knowing that I am your granddaughter once again. Alzheimer's may have taken away your memories but God has given them back and I am so grateful for that. You will always live within my heart. Your granddaughter Kelly JoLyn
