“ I just want to thank Judy's boys, Joe and Jim for allowing and trusting me to take care of their mother on a 24/7 basic. Judy and I met in Michigan, we both were employeed with Hills. Judy will be missed by all who knew her, especially by me, she is a special dear friend, and I just want to say, Judy thanks for the memories and everything that you have done for me and that you are loved.

“ Judy, my dear friend for 30 years. We shared many things over the years of bad and good, but you were always there for me. We had such good memories over the years and they are dearly cherished. I truly will miss your laugh, our special talks and just having you around in my life having fun together. I know you are in a better place and happy and we will be together again!
