“ Tater and Ty: I just wanted to let you know how very special you both were to your Dad. There wasn't one person he met that didn't get to hear about you guys and see pictures. You are all he ever talked about and I swear he was the proudest Daddy ever. You guys have one very special guardian angel watching over you both. I love you guys and you are always welcome to come see me and your cousins in ND. If you need anything I'm just a phone call away. Love you tons--Aunt Cindy

“ Keith I miss you so very much. I saved you so many times from the time we were little to the present, but I just couldn't save you from yourself. I know with my whole heart you left us unintentionally and that you never would have left your kids for anything. You are loved by so many people and you being gone has left such a big hole in so many hearts. I love you my brother and I will see you again some day in Heaven. Love your sister--Cindy
