“Dad I miss you so much. There is never a day that goes by that I do not think of you! My heart still aches. My life has not been the same since you left.

You were such a good dad and Papaw. We all Love and Miss you.
So so Missed.

“The pain will always remain. I try to concentrate on the good times and wonderful memories. I continue to buy Marigolds for your birthday. I miss you so much daddy. I know you will be waiting at the gates for me and we will be reunited. You have taught me so much while you were here and after you left i realized, wow, dad is still teaching me about life lessons. Love you so much, always and forever.
