“ I'm so sorry that I just saw this news. The world shines less brightly today. Kristy was such a breath of fresh air. No one in high school could make me laugh like Kristy could. My deepest sympathies and prayers go to Kristy's family and friends.

“ My condolences to the family. Kristy and I were old school friends, lab partners in Biology class, and just good friends. I never saw Kristy after High School, but I always remembered her bubbly personality and kindness she always showed to others. I'm very sad to hear of her passing, but know that she is with the angels where she'll stand out as one of the most beautiful ones. Rest in peace dear friend.

“ I am so sorry for John and the families loss. I loved Kristy. I was blessed to spend quite a bit of time with her during her last month. Even when she felt so bad and was struggling to breath, we would talk and laugh. She was so worried about John and his illness even during her last days thats just the kind of person that she was. May god enjoy the beautiful spirit of Kristy that is now in the heavens watching down on all of you. May peace be with you all.
