“ *I am so sorry to hear about Larry passing away. I have so many fond memories of him growing up on Dayson Drive. He let us kids use the three-room as we called it for a clubhouse and gave us a stinky old moose head to put in it. I thought his boat was as big as a yacht. A lot of good times at that house! “ *Larry was such a blessing to me, although I only knew him for a short period of time. He made me smile and always remember life was good no matter what age. May he rest in peace.*
