“ We are praying for you today. It meant so much to me and our family when Marilyn and John came to the visitation for my mother almost 2 years ago now. They didn't know her but they knew me and my daughter Denise. They were an example of what a Christian family is all about. We wish we could be there with you today but scheduling beyond our control has prevented it. Please know that we are praying for you all today and in the coming days.

“ Pam and Family: You know our prayers have been with you during this again a very hard time in your lives. Pam, I knew you Mother was gone that day about 4:00 pm I just had this feeling come over me and I knew. Bro. Terry was outside mowing the grass and when he came in I told him you have to call Pam. He went to pick up his cell phone and there was a call from Richard. Please tell your Dad he is in our prayers also. I pray you can feel our love and prayers with you. God Bless all of you.
