“ Some of my fondest memories are the many family gatherings with all my uncles and aunts along with my two sisters, my brother and my three cousins. Aunt Marjoria and Uncle Gordon were involved in all our lives as we were growing up.

“ i am very sorry for the loss of such a wonderful and joyful lady. i attended Anderson High School and in the Drama 3 class we went to Countryside and played Bingo with the residents and just talked and had fun. Marjorie lit up my day with her cute little smile and always anxious and ambitious attitude. I will miss her greatly and most of all playing bingo and enjoying her company. Once again all of my deepest sympathy goes to her family members. Take good care and she will be missed greatly by many.
