“ I never knew my grandpa all that well untill he got sick then i never really seen him alot anyways.All i kno is that he has done his good and done his bad, but all a person wants in life is love and respect. It was his time to go but i am happy that he wont be living in pain anymore. He isnt dead if we all just remember hes always alive in our hearts. We may forget about someone times but there love will always remain with us even if there the least bit away..... A poem i wanted to include in my message. "Do Not stand by my grave and weep, I am not there, I do not sleep. I am a thousand winds that blow, I am the diamonds glint on snow, iam the sunlight on ripening grain, i am the gentle autumns rain. When u wake in the morning i am the swift uplifting rush of quite birds in circuled flight I am the soft stars that shine at night Do not stand at my grave and cry i am not there I did not die"
