“ My sympathy to Molly's family at her passing. As an employe of Bethany Pointe that works as a fill-in for the Activity Dept., I was not with Molly a lot but Joe made sure I met her and on our first meeting, he asked that I give her a quick manicure as she sat across from his desk. She was so appreciative that she made my day special. Again, my sympathy to Molly's loved ones. God's Blessings, Pam Gouker Bethany Pointe Health Campus Activity Department
