“ Laura, I got to see your mother a couple months ago, at Chesterfield Harvest Market. I am so very glad that I did, because I got to tell her that I loved her, and how much she touched my life. We usually all have someone that we will never forget, that entered sweetly, with a smile, a chuckle, graciously, and generously if we are blessed...your mother was that lady for me, that blessing. My deepest sympathies for your loss, it breaks my heart. What a beautiful woman in every way. God bless your family, the new life about to begin, and you are in my prayers, my dear childhood friend. xo
