“ *I'm so very sorry for your loss. While I remember Patrick as just a little boy running around our neighborhood and the pool, he clearly grew up to be a very caring, accomplished, bright young man. My prayers are with you all during this difficult time.*

“ I am so sorry for your loss.

Pat was one of my very first friends at IU, and I will never forget how friendly and sweet he was right off the bat. Our friendship continued to grow throughout the years as we were both on the same IUDM committee and also both moved to Chicago.

Through every experience, I never saw Pat without a smile on his face. He was one of most endlessly positive people I'll ever have the pleasure of knowing. His laughter was contagious and he left a memorable impression on everyone he met. Pat was truly one-of-kind and will be deeply missed.

My son John Arcadi had the pleasure of working with Pat. We are from Buffalo, New York and I was very grateful that your son made John feel welcome at his new job in Chicago. John loved working with him and talked often about how nice he was and that he was always fun - they shared a lot of laughs.

My heartaches for you and I will keep you in my thoughts and prayers. I hope you find comfort in the wonderful memories and that you are surrounded by the love of family and friends.

*Respectfully,
the Arcadi Family*
