“ Dear Kathy, I was so sad to hear about Dennis. You said when we spoke last he was in ill health. I too lost my husband 7 months ago through an accident. I truly know how devastated you are and my heart goes out to you and your family. I recall Dennis as such a sweet, kind boy and I am sure he was that kind of man. I am here in Marco Island with my grandson trying to start a new life. Leaving family and friends of 35 years was excruciating, but I had a great job opportunity and decided to take it and just see how it goes. It doesn't really matter where you are the heart is still broken. I know you and Dennis had many good years together, but you are still young and have much life to live. YOur family will be much comfort to you. Again my deepest sympathy, Mercedes

“Kathy, Our thoughts and prayers go out to you and your family. We were very fond of Dennis and enjoyed spending time with the two of you. Dennis truly loved his family and grandchildren. I will have a wonderful memory of the last time I was with you and Dennis. We went out to dinner and yes, it was even his idea. We had great food and laughed alot. We will miss Dennis.
