“ I learned a lot, from my Uncle Bob, back in the 60s and 70s. The family grew apart after that and I didn't get to see him any more. If Sandy, Randy, or any of the surviving family who are #2still around, please try to contact me at your convenience.

“ I worked as an electrician at Guide. Although I never worked with Bob, I often saw him and he was always a gentleman and helpful. Please accept my condolences for your loss.
