“ Bob was waiting in the driveway when I came home a few days after my birth. I would as a little girl pick Bob's flowers and he would still take me for ice cream. I spent many hours on his front porch having conversations that I will always treasure. I have so many memories of him in my life he was like a second dad to me. I love him and always will. Terri, Danny, Trina and the whole family, I am so sorry for your loss. My thoughts and prayers are with you especially his grandchildren I know they were very close to him. Love to all. Dana PS My daughter's Tori and Sami remember the popsicles he always gave them!!!
