“ I guess our discussions about history Indiana, Old Northwest and the Anderson Police Department, the first time I saw him he was on a date with Tamra in a club in Anderson-he was with the band playing the strings on a homemade washtub! Sitting out in the yard at Aunt Helen's house in the Summer telling funny family stories and talking about our children while they played. He had what I would discribe as the Ewald sense of humor! Love, Carla

“ Dear Tammy and family Your husband was one of the best police officers on the department. he had a lot of fine moments on the department. such as spelling out anderson sign shop when the brakes went out on the sign truck and was asked who to make the bill out to when the sign truck was towed. the banging of the flash light of his on a car. when i told the car to stop and it didnt. it was a sight to see him on top of the hood of the car saying i said stop. i was out in the center of a four way intersection laughing so hard i couldnt stop. he was truly an insperation to the department and all of us who knew him. he will truly be missed by us all.he will not be forgotton. thanks jean

“ Rob & Chris: My deepest sympathies go to you and your family on the loss of your father. I lost my mother in May of this year and even though we may have an idea it is forthcoming, we never seem to be totally ready. Blessings of comfort and peace in your time of grief.
