“ I am deeply saddened by the passing of a good man, and would like to offer condolences to the family, in this time of sorrow. Big Bob was more than a friend, he was as mentor. He shared his vast knowledge, with not only me, but others that were close to him. Big Bob not only shared his professional wisdom, but perhaps most importantly, passed on a code of ethics, which has been deeply held, and respected, by those that were fortunate enough, to know him. He will be missed by many, but the lessons, morals, and ethics, he shared so freely will endure.
