“ *Our lives started together on George Street in Anderson. My sister and I would walk across parking lots with Tim and Steve to meet their Dad as he walked home from work. Cass made us all stilts and what fun we had with them. Fate brought our families back together as we both moved north of Anderson to College Corner and Highland High School. I always enjoyed Tim and his beaming smile and personality. Cindy (Dickerson) Clark*

“ As the sad news of Tim's passing was emailed through the FSSA work community, there have been multiple emails from individuals expressing sadness at the news, and fondness for Tim. I worked with Tim for nearly forty years, starting in the Food Stamp Program. For all of us who were county employees, Tim was the person who could always fix anything in your office. My phone system was struck by lightening, and before we could get a new one in Hamilton County, Tim came out and somehow, amazingly, sort of "hot wired" the old system to work. In Putnam County, he once persevered through a thunderstorm while in the courthouse attic to fix their computers. There are countless stories like this one, and I believe Tim's capabilities saved the state of Indiana hundreds of thousands of dollars.

Tim was genuinely liked by everyone; he was always such a help and a joy to have around. He was the most universally liked person I ever knew at FSSA. I know I am speaking for hundreds of FSSA personnel when I offer my sincerest condolences to his family. He will certainly be missed.

“ My wife and I wish to extend our hearts felt condolences to Tim's wife Cathy, his children, his brother Steve, wife Margie and other members of the families. Having grown up on Sumner Lake I remember these things while thinking of Tim. Swimming and hockey on the lake, riding in Charlie Gentry's firetruck with that siren cranking, basketball games in the barn and on Hosier's driveway, driving the neighbors crazy with the noise and dust from our "motor scooters," shooting fireworks off, playing golf at Boca, chasing the girls, and last but not least taking that Blue Boat-tailed Riviera on a magnificent and crazy road trip to Daytona Beach for Spring Break. That is the Tim I will always remember. May you rest in peace "Sub." Davy and Donna Hill.

“ Cathy, while I never met Tim himself, I know he must have been a wonderful person, as Kunkels spoke so well of both of you. You were kind enough to drive to my daughter Terris' viewing in 2010, and show your respect, which I'll never forget. Please know that I'm terribly sorry this happened, and may God hold you in his arms thru this difficult time and the days following. The love shown on both faces of his dog and him together, showed so much. Sincerely Sympathy, Sue Drury-Boyd,, Cindy Kunkels mother.
